By signing this completed form the owner of the private driving school verifies and confirms that the information provided above is correct and accurate. If a subsequent inspection by ICJI staff finds any of the above information to be incorrect, then the vehicle may be removed from service until compliance with all Checklist items above is confirmed by ICJI.

Name of Driving School: _____ **Date:** _____

Printed name of School Owner: _____

Signature of School Owner: _____

*205 IAC 3-1-9 (11)a states that a commercial driver education vehicle must be a recent model with not more than 5 years having elapsed from the date of purchase. "Date of purchase" is defined as the date listed on the certificate of title that was received from the application using the manufacturer's certificate of origin. Therefore, 5 years from the purchase date of the first title to the vehicle.
